The meeting was called to order at 6:37 p.m., by W. Muhammad. A quorum was present.

Approval of the Previous Minutes

Unfinished Business

J. Hallberg reminded members that we did not meet in March due to not having a quorum and that we did not meet in April or May due to COVID-19.

W. Muhammad stated that he contacted the Grand Rapids Oversight Division City Liaison, Brandon Davis, but is waiting for a response. W. Muhammad stated that Brandon Davis reports his data directly to DC.

New Business

Two complaints were reviewed, one that was sustained and one that was exonerated. A. Craig asked if we would be viewing video of either incident and W. Muhammad stated that videos are only watched if a case is appealed. F. Redmond asked if we would find out the results of the discipline given to the sustained case and J. James questioned why the public doesn't get more details and why we are not more transparent. D. Bukala stated that police officers have the right to privacy of their personnel record just like all professions but also stated if it was a criminal issue then more information would be available for the public.

F. Redmond inquired on whether personnel records are backed up.

J. Hallberg shared that the police department is in the process of accreditation.

J. Hallberg reminded the board that we do not meet in July. A. Craig reminded the board that if we don't meet unless a case arises that needs review.

Public Participation

There was no public participation.

Adjournment

A. Craig moved to adjourn the meeting, seconded by R. Hayward and the motion carried unanimously. The meeting was adjourned at 7:14pm.

The next meeting is Monday, August 3rd, 2020 at 6:30pm. Location to be determined due to COVID-19.

Respectfully submitted,
Jackie Hallberg, Staff Liaison to the CPRB
